October 15, 2022

Dear Residents of Sauble Township:

Hello! I am the Director of Luther Area Public Library, and came on-board July of 2020, during the COVID Pandemic, after spending 26 years in public schools. Now that COVID appears to be lessening, I'm trying to find different ways to better service the residents of your township and the other townships within our serving area. The Luther Area Public Library is a district library, and your home library. The three libraries of Lake County will be having another library millage renewal vote in 2024. I know how important every dollar is to everyone, and I am trying to reach out to better serve all the residents of the townships within our district.

Our first step was with the Little Free Libraries. I contacted the Pine River High School's Advanced Woodworking teacher, and we eventually purchased all the materials needed to have the class construct your Little Free Library. A Little Free Library can be found at Sauble, Eden, Elk and Peacock Township Halls, thanks to the help, and support, of your elected township officials. Stop by one of these places and take a book, or exchange a book. Enjoy!!

We have many other services available, and some you need a library card. To be an applicant for a new library card, present a State issued picture ID and/or proof of current address. We have e-books, hotspots, and Chromebooks to name just a few things. If you have any questions or ideas as to how we may better serve you, please give us a call at 231.797.8006, or check out our website at **[lutherlibrary.ploud.net](http://lutherlibrary.ploud.net)**. We look forward to serving you in the near future.

Sincerely,

Amy J. Shank  
Director  
Luther Area Public Library
